Margaret MacPherson

Wednesday's Keynote Speaker

Margaret works closely with organizations and community groups on a variety of social issues. She works as a Research Associate with the Centre for Research and Education on Violence against Women and Children (CREVAWC) at Western University in London Ontario. Margaret designs and develops curriculum and related materials on a number of initiatives including the *Make It Our Business* workplace domestic violence program. Margaret is passionate in her belief that everyone has an important contribution to make in creating safe and supportive environments at work and in our communities.

Nadia Losier

Thursday's Keynote Speakers

Nadia holds a degree from University of Ottawa with a minor in Criminology and Sociology. She worked at Nepisiquit Family Services for 4 years as a counsellor for individuals with a judicial past and as an Anger Management Advisor. Since 2004, she has been Director of L'Accueil Sainte-Famille, a shelter for women victims of spousal and family violence in the Acadian Peninsula and since 2019, also Director of the second-stage home: Complexe de L'Espoir, a long-term extension of services for women. She has helped implement the "Libère-toi" Hotline for survivors of sexual assault, among other initiatives.

Patricia Michaud

Patricia has been the Executive Director of Miramichi Emergency Centre for Women for over 12 years. Patricia helped create and implement the first Domestic Violence Outreach Program in Miramichi and was the Outreach Coordinator for 9 years. Patricia is a certified NBCC instructor and has a background in Early Childhood Education. She has 34 years of experience in Human Services working with people in Miramichi and is passionate about her work in the sector. Patricia wants to see a better world for women and children fleeing abuse.
